

Abstracts published

01. Weerasinghe, V. P. A., H. Sinn and S. Kleisinger, (2006). A New Opto-Electronic Sensor for Soil Humidity Measurement-Evaluation by Numerical Modelling with Hydrus 2D Software. Tropen Tag, Conference Proceedings, Bonn, Germany.
02. Jayawickrama N.T. and V.P.A.Weerasinghe, (2011) "Investigation of Suitability of the Existing Municipal Solid Waste Landfill Locations in Matara District" YSF symposium, Sri Lanka.
03. Jayawickrama N.T. and V.P.A.Weerasinghe, (2011) "GIS-AHP Integrated Approach for Optimized Landfill Site Selection for Matara District" , YSF 56, YSF symposium, Sri Lanka.
04. Samadaree A.D.S. and Weerasinghe V.P.A., (2012). Catchment based Water Quality Evaluation of Pugoda Ela in Gampaha District, Sri Lanka. Proceedings of 18th Annual Scientific Sessions, Sri Lanka Association for Fisheries & Aquatic Resources, 24:26 pp.
05. Potuhera, O.L. and Weerasinghe V.P.A., (2012). Improving existing landslide hazard zonation map in KMC Area, Sri Lanka. 4th International Conference on Geo-information Technology for Natural Disaster Management, 7-8 November 2012, Colombo, Sri Lanka, ISBN 978-616-90698-2-9.
06. Weerasinghe, V.P.A., Madumalli D.C.A.S., Sutharsan, R., Tissera, J.H.S.C. and Ranawaka, I.D. (2013) "Solid waste management system of Kelaniya Pradeshiya Sabha: Existing solid waste management system & identification of alternative landfill sites using Geographical Information System", Symposium on spatial information for national development. IWMI, Colombo, Sri Lanka.
07. De Silva, T.W.J.T., and Weerasinghe, V.P.A. (2014). A Preliminary Alien aquatic plants distribution in Western province, Sri Lanka. Proceedings of the National Symposium on Invasive Alien Species.
08. Jayawickrama, M.T., and Weerasinghe, V.P.A. (2014). Locating suitable sites for solid waste landfills in Matara districts using GIS and AHP. Proceedings of the International Symposium on ICT for Environmental Sustainability.
09. Perera, L.N.W., and Weerasinghe, V.P.A. (2014). Mapping of water pollution in Pattiwala area of Gampaha district Sri Lanka, using surface interpolation method. Proceedings of the International Symposium on ICT for Environmental Sustainability.
10. Weerasinghe, V.P.A., and Sirisena, Y. (2014). Impact of Global warming on Landslides: A case study in Walapane Secretarial division in Nuwaraeliya District, Sri Lanka. Proceedings of the International Symposium on ICT for Environmental Sustainability.
